June 2026

There will be no regular meeting in June; instead, we recommend this special event:

Miami Waterkeeper's Executive Director, Rachel Silverstein Ph.D., will speak at the Miami Shores Public Library on June 13.

The Miami Waterkeeper State of Our Waterways & Coral Reefs is an engaging and educational community event focused on the health of South Florida's waterways and fragile coral reef ecosystems, taking place on Saturday, June 13, at 10 a.m.

Featuring a presentation by Rachel Silverstein, the event will explore current environmental challenges facing our coastal waters, including pollution, water quality, climate impacts, and coral reef decline, while highlighting ongoing conservation and restoration efforts. According to the Miami Herald (July 18, 2023), Miami Waterkeeper began sampling West Arch Creek in June 2022, and their findings showed staggering fail rate.

Attendees will gain valuable insight into the importance of protecting our marine ecosystems and learn how local communities, scientists, organizations, and residents can work together to safeguard these critical natural resources for future generations.

Location: Brockway Memorial Library, 10021 Northeast 2nd Avenue, Miami Shores, FL 33138

Meet at the Bridge Plans for 2027 Underway - Date correction

In the previous ACT Newsletter issue (May 2026), we stated that Arch Creek Trust is planning to celebrate the annual Meet at the Bridge event on Saturday, January 20, 2027, as part of the Mary Brickell Foundation's countywide launch. Although we will still be part of the Foundation's launch, the event will take place on January 30th. More information will be provided at a later date.

Arch Creek Park Summer Events

The Park will not be offering public programs during the summer, except:
Camp Manatee Summer Camp, June 8-August 7.

Monthly EcoAction day. 3rd Saturday of the month from 9:30am-12:30pm.
Registration and information at
www.miamidadeparks.com
